Hi Serena,

Welcome to ePals. Get ready to experience a world of possibilities with classrooms across the globe!

For your reference, your ePals login information is:

Username: Mrs. Altana [REDACTED]

Password: [REDACTED]

What's next:

1. **Create a Profile:** [Share a description of your class, interests and goals](#) - it just takes a minute! Once your profile is approved, you can contact other members. **ePals will even recommend partner classrooms for you!**
2. **Get your students connected:** ePals has created 30 student accounts just for you. [Add your students' names to the accounts to personalize them!](#) ePals' global, peer-to-peer connections will excite and engage your students like never before. Best of all, our SchoolSafe® social learning features and moderated email help students put learning **into their own hands, while keeping them safe.**

As you explore ePals, be sure to take advantage of the enriching opportunities our Global Learning Network offers:

- Match with classrooms worldwide that share your interests and goals
- Find classroom-ready, standards-based projects from trusted educational brands
- Get your students talking in our SchoolSafe® project circles, with social learning and embedded translation
- Track your students' participation on ePals using the Student Activity View on your Homepage!

On behalf of the whole ePals community, welcome! We're so glad you're here.

Best wishes,

The ePals Team
